DULUTH SKYWALK

2027 SPONSORSHIP GUIDE

WHAT IS THE DULUTH SKYRUN?

The Duluth SkyRun is a one-of-a-kind winter race through the heart of Downtown Duluth, taking runners through the city's connected skywalk system and some of downtown's most recognizable spaces. Designed as a fun, fast-paced way to embrace a Duluth winter, the SkyRun combines running, downtown exploration, and a course you won't find anywhere else. Best of all, the event supports the Downtown Duluth Clean & Safe Team, helping keep downtown welcoming, vibrant, and ready for the community year-round.

HOW IT WORKS:

1

START AT THE DECC

Runners gather at the DECC, get ready, and hit the course together. From the starting line, it's straight into Duluth's skywalk system for a winter race unlike anything else in town

2

TRAVERSE THE SKYWALK

Race through downtown hallways, buildings, twists, turns, and enclosed bridges as the course takes you through the heart of Duluth, all without having to bundle up for the cold.

3

RETURN TO THE DECC

After making your way through downtown, it's time to turn toward the DECC and push for the finish. Run for a fast time, race your friends, or just enjoy the ride.

4

PARTY!

Cross the finish line and stick around for the celebration! Grab a drink, refuel, compare race stories, and celebrate with fellow SkyRun runners at the official afterparty.
